> All Joint Accounts

With a Joint Account or a Joint Tenants in Common Account, we can act on the instructions of any one or more joint account owner(s) whose signature is on file with us. We may, at our discretion, not honor requests, if not legally obligated, to “block” or “freeze” the account given to us by an individual account owner. Similarly, we may not, at our discretion, accept instructions from one account owner to disregard the instructions provided by another account owner, since all account owners have full right to dispose of any or all of the account funds. In the event there is a dispute involving any one or more of the account owners, it is up to the account owners to resolve the dispute amongst themselves. Citibank, N.A. will not make any determination regarding the merits, nor will it adjudicate, such dispute.

NOTE: Nothing herein alters Citibank N.A.’s ability to “block,” “freeze,” “close,” or take any other action with respect to an account in its sole discretion.

Joint Account – Additional Terms

In this Marketplace Addendum, “Joint Accounts” refer to Joint Accounts as described in the Client Manual - Consumer Accounts. Unless you specifically choose otherwise, an account in the name of more than one individual will be considered a Joint Account.

Joint Tenants in Common (JTIC) Accounts

If you select a Joint Tenant in Common Account, each account owner while living may act for the other account owner(s) and will have full authority to withdraw any amount, request us to act upon his or her instructions, close the account, remove the other account owner(s), or take any other action with respect to the account. Each account owner understands that Citibank will comply with any writ of attachment, adverse claim, execution, garnishment, tax levy or restraining order, subpoena, warrant or other legal process that we believe to be valid as if this account were a Joint Account. Each of you agree to hold us harmless from and indemnify us against any losses, causes of actions, damages and expenses arising from or as the result of us having followed the instructions of either (or any) account owner.

Each Joint Tenant or Joint Tenant in Common Account owner agrees that, in the event of the death of the other tenant, the survivor or survivors shall immediately give us written notice thereof, and we may, before or after receiving such notice, take such actions, require such documentation, retain such portion of the account and restrict transactions in the account, as we may deem advisable to protect us against any tax, liability, penalty or loss under any present or future laws or otherwise.

The estate of either or any Joint Account or Joint Tenant in Common Account owner who has died shall be liable, and each surviving Tenant shall continue liable, jointly and severally, to us for any net debit balance or loss in said account in any way resulting from the completion of transactions initiated prior to the receipt by us of the written notice of the death of the decedent. Each account owner agrees that, in the event of the death of either or any of you, the interest in the account shall be determined as you specified to us without in any manner releasing the decedent’s estate from the liability provided for herein.

For current interest rates and Annual Percentage Yields, please contact us. See the "Contact Information" section of this Marketplace Addendum.

When Interest Begins To Accrue

Money deposited to this account at a teller or a Proprietary Citibank ATM before the end of any Business Day (or earlier posted time) begins to earn interest on the day you make the deposit; funds deposited at a Proprietary Citibank ATM after the end of a Business Day (or earlier posted time) or on a non-Business Day earn interest from the next Business Day. (Please refer to the Client Manual - Consumer Accounts for definition of "Business Day".)

Interest Calculation Method and Rate Information

We use the daily balance method to calculate the interest on interest Checking accounts. The daily balance method applies a daily periodic rate to the full amount of principal in the account each day. This method may cause a change in the amount of interest you earn depending on the daily balance changes in your account.

The principal in the account is reduced based upon the transaction date when a withdrawal or other debit transaction occurs, which is not always the same as the posting date. The principal balance on which interest is calculated may not be the same as that appearing on your periodic statement if there have been intervening transactions.

Interest Compounding and Crediting

Interest is compounded daily for the actual number of days your money is on deposit and is credited to your account monthly. Interest is computed using a 365 day year except in leap years when interest may be computed on a 366 day basis.

Interest Adjustments

An interest adjustment for a transaction occurring during a statement period may be reflected on your statement in the next statement period rather than in the statement period in which it occurs.

Interest on Closed Accounts

No interest is paid on the account for the monthly period in which the account is closed.

Fees

There is no separate Monthly Service Fee for an Interest Checking account. When an Interest Checking account is opened, it must be in an account package and is subject to the applicable Monthly Service Fee of the applicable account package as disclosed in the "Information About Account Packages" section of this Marketplace Addendum.

> Certificates of Deposit

Account Features

Citibank offers Certificates of Deposit (CD) denominated in U.S. Dollars as described below:

- 3, 4, 5, 6, 7, 8, 9, 10, and 18 Month CDs with monthly interest.
- 1, 2, 3, 4, and 5 Year CDs with monthly interest.

All our certificates are time deposits. With a time deposit, you agree to leave your funds in the account for a specific period, called the term. The last day of the term is called the maturity date. The maturity date is the first day on which you may withdraw funds without paying an early withdrawal penalty, explained below.

To open any of our Certificates of Deposit, we require you to have or open a linked checking account, money market account or savings account in your account package. You may not open a Certificate of Deposit as a standalone account without linking it to your account package.

Minimum Opening Deposit

The balance required to open a Certificate of Deposit account is \$500. No additional deposits are permitted during the term of the account. We reserve the right to close the account if the account balance falls below the minimum balance. Certificate of Deposit accounts that maintain a zero balance will automatically close after 20 days.

Rate Information

The interest rate and Annual Percentage Yield (APY) for all new and renewing CDs are fixed for the term of the CD. For a new CD, the interest rate and APY are based on the balance you deposit into the CD as disclosed on the applicable rate sheet delivered when your CD is opened.

For a renewing CD, the interest rate and APY will be those in effect on the date of CD renewal. Your interest rate and APY will be based on a number of factors related to your CD's status, including: the governing state of your CD, the balance in your CD account; the Citibank account package that contains the CD account, and whether the Citibank account package contains a checking account.

If you change the term of the CD during the grace period, the rate for the renewal term will be determined based on the rate sheet in effect on the date of CD renewal.

Interest Rate Determination

We use the daily balance method to calculate the interest on CDs. This method applies a daily periodic rate to the balance in the account each day.

When Interest Begins To Accrue

For a new CD, the opening deposit whether a non-cash item, such as a check, or a cash deposit begins to earn interest as of the Business Day the account is opened, or the day we receive your funds, whichever is later. For a renewing CD, non-cash items and cash deposits begin to earn interest on the Business Day the deposit is received. (Please refer to the *Client Manual – Consumer Accounts* for definition of "Business Day".)

Interest Compounding and Crediting

Interest is compounded daily starting on the Business Day when the account is opened, and is credited to your account monthly (except on CDs with the interest at maturity feature, where interest is credited to the account on the maturity date). Interest is computed using a 365 day year except in leap years when interest may be computed on a 366 day basis. Interest is credited to your account after the close of business on the last business day of the month for all CDs. Since some months are slightly longer than others, the amount of interest you earn may vary slightly from one month to another. Interest is paid up to but not

including the maturity date. If you open your CD, or if your CD renews, during the last week of any month, interest from the date opened/renewed to the end of the month may be included in the interest payment for the first full month after the CD is opened or renewed.

Early Withdrawal Penalties

When you open a Certificate of Deposit, you agree to keep the principal on deposit with us for the term you have selected. We will impose a substantial penalty if you withdraw any principal before the maturity date. It may be necessary to deduct all or a portion of the penalty from the principal amount of the deposit. You may withdraw interest from your CD at any time during the term after it has been credited without an early withdrawal penalty.

The early withdrawal penalty based on the term of the CD will be assessed according to the chart below:

CD Term	Penalty
1 year or less:	90 days of simple interest
More than 1 year:	180 days of simple interest

Early withdrawal penalties are calculated on the amount of the principal withdrawn. There is no early withdrawal penalty if the account owner dies or is declared legally incompetent.

Automatic Renewal and Grace Period

Unless we receive other instructions, all CDs will renew automatically at maturity for the same term. The renewal CD will be for the same term, but at the interest rate currently being offered. There is up to a 7 calendar day Grace Period after the Maturity Date. If the last day of the Grace Period is a non-business day (a weekend or bank holiday), then the Grace Period ends on the last business day before that non-business day. During the Grace Period you can change your term, additional funds can be deposited and funds can be withdrawn without paying an early withdrawal penalty. However, if you change your term, make a deposit or withdrawal: (1) the Grace Period will end that day, your Opening Date will reset and a new Maturity Date will apply, after which you will no longer be able to make any changes until the next Maturity Date without incurring a penalty and (2) we will pay interest from the Maturity Date until the day before your new Opening Date (but not more than 7 calendar days) at the interest rate then in effect on the Maturity Date.

Interest Withdrawal

You may withdraw interest from your Certificate of Deposit at any time during the term after it has been credited without an early withdrawal penalty. You may request to have credited interest deposited to another account you have with us or sent to you in the form of a check. If your account renews automatically, after the grace period your interest will be added to your principal balance and will no longer be available for withdrawal without penalty.

The Annual Percentage Yield (APY) on your account assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.

Fees

There is no separate Monthly Service Fee for a Certificate of Deposit.

Linking

The balances in other Citibank accounts that are linked to the account will not be included in the balance calculation for rate determination of your Certificate of Deposit account. The balances in your Certificate of Deposit account may contribute to the balances of eligible Citibank account packages for the purposes of package fee determination.

Investment Account Linking

This section deals with your ability to link certain investment accounts available through Citi International Financial Services, LLC and Citigroup Global Markets Inc., both of which are our affiliates, to your account packages.

Linking Your Account to Citi International Financial Services, LLC ("CIFS") or Citigroup Global Markets Inc. ("CGMI") Investment Account.

You can link a CIFS or a CGMI Investment Account to your Citi Global Executive Account Package or your Citi Global Executive Preferred Account Package provided that the account titles are identical.

Linking your Citi Global Executive Account Package or Citi Global Executive Preferred Account Package to either a CIFS or CGMI account ("Linked Investment Account") has many advantages, such as being able to view the balances in your Linked Investment Account using Citibank® Online or Citi Mobile®, and at ATMs located in Citibank branches. In addition, eligible balances in your Linked Investment Account are currently counted toward relationship pricing of your Citi Global Executive Account Package or Citi Global Executive Preferred Account Package.

Summary of balances for CIFS or for CGMI investment accounts through Citi Personal Investments International ("CPII") will be displayed only on statements for your Account Package.

For information about linking a CGMI Investment Account to a checking or money market account in any eligible account package for transfer purposes; please see the "Transfers" subsection in the "Types of Transactions; Limitations" section of the "Electronic Banking" section of the Client Manual - Consumer Accounts.

Linking Account Packages

Associated Accounts Linking of Account Packages - Applicable to non-U.S. person account owners only. (For persons living in the U.S. or U.S. citizens living abroad, the account linking requirements under “Household Linking of Account Packages” below will apply.)

This section explains certain features of linking account packages among Associated Accounts. When you link together eligible account packages of two or more owners of Associated Accounts, the combined balances of the accounts in those account packages can provide each Associated Account owner with certain additional benefits.

In case of Associated Accounts where two or more eligible owners each have at least one account in a separate eligible Citibank account package, and you link those account packages together, we can make the features and benefits of our relationship pricing structure available to those Associated Accounts owners. In most

cases, eligible accounts belonging to all Associated Accounts owners can be counted towards the combined Associated Accounts balance for purposes of determining whether Monthly Service Fees and certain other account charges will be assessed and for determining eligibility for benefits associated with higher balance tiers or ranges.

Only Citibank accounts opened in a Citi Global Executive *Preferred* Account Package or a Citi Global Executive Account Package may be eligible for linking.

Associated Accounts: We define deposit accounts as “Associated Accounts” when those accounts are owned by at least one common account owner. In these cases, we can make available to the common account owner, upon request, the features and benefits of our relationship pricing structure. When asking us to link account packages you agree that your request will comply with any limitations applicable to the account packages that you ask to be linked. Under federal regulations:

- When any account package includes an account with one of our affiliates, immediate family members whose accounts can contribute to pricing benefits are limited to the account owner and spouse; the account owner’s parents, step-parents, siblings, step-brothers, step-sisters, children, stepchildren, grandchildren and their spouses.

Important: When account packages are linked for combined balances, statements for each linked account package may show the Associated Accounts combined balance range. As a result, Associated Accounts owners may be able to deduce approximate balances of other owners of the Associated Accounts when account packages are linked. Therefore, when deciding whether to link Associated Accounts packages, customers should evaluate their privacy needs among Associated Accounts, along with their need for the rate and fee advantages.

> Household Linking of Account Packages Applicable to Persons living in the U.S. or U.S. Citizens/U.S. Resident Aliens.

This section explains certain features of linking account packages within a household. When you link together eligible account packages of two or more members of a household, the combined balances of the accounts in those account packages can provide each household member with certain additional benefits.

If you reside in a household where two or more eligible members each have at least one account in a separate eligible Citibank account package, and you link those eligible account packages together, we can make the features and benefits of our relationship pricing structure available to those household members. In most cases, eligible accounts belonging to all household members can be counted towards the monthly combined household balance for purposes of determining whether Monthly Service Fees and certain other account charges will be assessed and for determining eligibility for benefits associated with higher balance tiers or ranges.

Only Citibank accounts opened in a Citi Global Executive *Preferred* Account Package or in a Citi Global Executive Account Package may be eligible for linking.

We define a “household” as an account owner and members of the account owner’s immediate family who reside at the same address. When asking us to link account packages you agree that your request will comply with any limitations applicable to the account packages that you ask to be linked. Under federal regulations:

- When any account package includes an account with one of our affiliates, immediate family members whose accounts can contribute pricing benefits are limited to the account owner and spouse; the account owner’s parents, step-parents, siblings, step-brothers, step-sisters, children, step-children, grandchildren and their spouses.

Important: When household members’ account packages are linked for combined balances, statements for each linked account package may show the household combined balance range. As a result, household members may be able to deduce approximate balances of other members in the household when account packages are linked. Therefore, when deciding whether to link household account packages, customers should evaluate their privacy needs within the household, along with their need for the rate and fee advantages.

Overdraft Protection

This section outlines two optional services that are designed to help you cover overdrafts in your checking account. Availability is not automatic. Contact us for application and enrollment information.

> Safety Check

Safety Check covers overdrafts by transferring funds from your linked Money Market or savings accounts. Safety Check will not permit you to get cash or transfer funds from your checking to other accounts if there are insufficient funds in your checking account. Safety Check will also not permit transfers for Bill Payments made from your checking account. The linked contributing account also covers the use of deposited funds that are not yet available in your checking account.

Contributing Accounts

When you sign up for Safety Check, you may select one account you maintain at Citibank as your “Contributing Account.” It can be either a savings or money market account. Other types of deposit accounts are not eligible Contributing Accounts. Only available funds in your Contributing Account can be used for Safety Check coverage. If the checking or Contributing Account is a joint account, all owners must authorize Safety Check coverage.

When Safety Check is used to cover your use of deposited funds in your checking account that are not yet available (uncollected), a like amount in your Contributing Account will be held until the deposited funds become available. The funds held in your Contributing Account are not transferred to the checking account and will continue to earn interest. Since no transfer of funds occurs, there is no transfer fee for use of this service in this circumstance.

Safety Check Transfers

Safety Check transfers from your Contributing Account will be made in the amount needed to cover your overdraft and any applicable fees, rounded up to the next \$100 increment, not to exceed the available balance in your contributing account.

Transfers

No more than \$99,999.99 per calendar month will be transferred from your savings account or per monthly period from your money market account, to cover overdrafts or use of uncollected funds in your checking account. If one or more transactions cause your checking account to have a negative available balance on a given day, and if you have available funds in your Contributing Account to cover them, only one transfer will be processed for the total amount transferred to cover the transactions. Federal regulations require Citibank to limit the total number of certain kinds of transfers (including Safety Check transfers) from your Contributing Account. The total permitted from savings and money market accounts is six per statement period. For details, please refer to “Limits on Transfers” under “Account Transactions” in your Client Manual. If the total number of transfers has reached the applicable limit, no Safety Check transfers will be made for the remainder of that calendar month (for savings accounts) or statement period (for money market accounts), and checks which overdraw your checking account will be returned.

Overdraft Protection Transfer Fee

The Overdraft Protection Transfer Fee is waived for Global Executive Banking clients.

> Checking Plus® (variable rate) Line of Credit

The Checking Plus® (variable rate) Line of Credit is not available for new applications from clients in Citi Global Executive Preferred and Citi Global Executive Account Packages at this time.

The following terms apply for all existing Checking Plus® and Checking Plus® (variable rate) Line of Credit customers.

Checking Plus® is a revolving personal line of credit linked to your Citibank checking account that provides overdraft protection and allows you to borrow the extra cash you need. Funds are automatically transferred from the Checking Plus line to the Checking account to cover overdraft amounts; you can also withdraw cash at any time directly from your credit account without overdrawing your checking account up to your available credit limit.

Please refer to your Checking Plus® or Checking Plus® (variable rate) Account Agreement and Disclosure, as applicable, for terms, conditions and fees relating to transfers from Checking Plus® Line of Credit or Checking Plus® (variable rate) Line of Credit Accounts.

Safe Deposit Box Rental

Safe Deposit Boxes are available in select Citibank branch locations in the U.S. For more information on a Safe Deposit Box rental or your existing Safe Deposit Box rental, please refer to your Safe Deposit Box Rental Agreement or contact the Citibank branch where the Safe Deposit Box is located.

In order to transact on your accounts, your written instructions must include your account number(s) and the signature of at least one Account Owner. All written instructions must be received by 12:00PM U.S. Eastern Time for same day processing. Written instructions received after this time will be deemed received the following business day.

To ensure timely processing of your request, written instructions should be sent to the Global Executive Banking Customer Service Center address listed in the "Contact Information" section of this Marketplace Addendum.

Regular faxes should be sent to the designated fax numbers we can make available to you upon request.

Confirmation of Instructions

We reserve the right in our sole discretion to contact any account owner or account signer, including Attorney(s) in Fact (if such exists on your account) to confirm by telephone the authenticity and content of your instructions prior to completing them. When exercising this right, we will usually call you at the number(s) indicated in our records. For funds transfers, we will call you at the number(s) in our records and you agree that you will not hold us liable for transfers delayed or not completed due to our inability to contact you in order to confirm funds transfer instructions. By sending us an instruction for your account, you agree to our use of these confirmation procedures.

You further understand and agree that this confirmation procedure is designed to verify the source of the request and not to detect errors in the details of your instructions or to avoid duplicate transfers.

> Funds Transfers

This section sets forth terms and conditions (hereafter referred to as "terms") under which you may instruct Citibank, N.A. to transfer funds from your Citibank account(s) maintained through Global Executive Banking to another account internally within Citibank or to an external account with another financial institution other than those made using an online or mobile person to person transfer service which is subject to a separate agreement. Examples of funds transfers covered by this section include wire transfers and Citibank® Global Transfers. In addition to the information provided here, please refer to any funds transfer agreements you may receive when you initiate such a request.

For international funds transfers, you will be provided with certain disclosures required by federal law at the time you initiate your request for that transfer. To the extent the provisions of this section are inconsistent with the disclosures provided to you for international wire transfers, the provisions of such disclosures shall govern.

As used in this section, the term "business day" means any day that is not a Saturday, Sunday, or bank holiday.

Authority to Transfer Funds. When you request a funds transfer, you authorize Citibank to debit your account for the amount of the transfer and you also authorize Citibank to charge your account any applicable service fees in accordance with the fee schedule in effect at the time of your request. For international funds transfer requests, you will be given information regarding the fees associated with that transfer in the disclosure you are provided at the time of the transfer request.

Reliance By Citibank. You agree that Citibank will rely on the information you provide in making the funds transfer. You understand that it is your responsibility to provide Citibank with accurate information regarding that transfer, including the account number of the beneficiary of the funds transfer and where applicable, the number (such as "BIC" or "SORT") identifying the beneficiary institution; payment will be processed

based on the information provided by you. Should you provide an incorrect account number and/or beneficiary institution identifier, you understand that any losses resulting from the funds being credited to the wrong account will be your responsibility. For international funds transfers, you may be required at the time you initiate the request to provide Citibank with information regarding the currency in which the beneficiary account is maintained. You understand and acknowledge that Citibank will rely on this information in executing your instructions in accordance with the provisions set forth under "Currency of Transfer" in this section.

Execution of a Funds Transfer Request. Immediate Funds Transfer Request. If your funds transfer request is received by Citibank on a day that is not a business day or on a business day after the established cut-off hour, refer to the "Written Instructions" section of this Marketplace Addendum, your request will not be processed until the next business day.

Scheduled or Recurring Future-Dated Funds Transfer Request for a Wire Transfer. If the date of a scheduled or recurring future-dated funds transfer request falls on a day that is not a business day, you understand that your request will be executed on the next business day. Citibank will make the determination to pay or reject your funds transfer request on the day on which it is executed based on your available balance at the time the funds transfer request is processed.

Effective October 28, 2013, Citibank is unable to accept new standing instructions for the execution of a future-dated international funds transfer(s) from a consumer account. Should this service resume, the dates on which these future transfers will be executed will be described in the disclosures that are provided to you when you establish such a transfer or transfers in accordance with federal law. Standing instructions for future-dated international funds transfer(s) from a consumer account established before October 28, 2013 will continue to be processed provided there are no changes made by you to those instructions. In addition, Citibank will continue to accept new instructions for a future-dated domestic funds transfer(s) from a consumer account after October 28, 2013.

Responsibility for Funds Transfers. To the fullest extent permitted by law, you agree to assume full responsibility and be bound by all funds transfer requests issued in your name, whether or not authorized, provided the funds transfer request was executed by Citibank in good faith and in accordance with the procedures set forth in this agreement.

Security Procedures. When you place an order for a funds transfer, we will follow a security procedure established for your protection and ours to verify that the transfer has been properly authorized. For international funds transfers, you understand that the security procedure is designed only to verify the source of the funds transfer instruction and not to detect errors in the content of that instruction or to prevent duplicate transfers. The procedure depends on the means by which you provide instructions to us. Unless we agree on another security procedure, you agree that we may confirm the authenticity and content of instructions by placing a call to any authorized signer on your account. By placing a transfer order, you agree to our use of the applicable security procedure. You agree to be bound by any funds transfer request that Citibank receives and verifies in accordance with the security procedure outlined above.

Currency of Transfer. Funds Transfers to beneficiaries within the United States are made only in U.S. dollars. For international funds transfers, Citibank may ask you to indicate the currency in which the beneficiary account is held. If you indicate that the account is held in U.S. dollars, your transfer must be made in U.S. dollars. If you indicate that the account is held in foreign currency (either the local currency of the country where the account is maintained or another foreign currency offered by Citibank) Citibank will send the transfer in that foreign currency unless the transfer in foreign currency is prohibited by local restrictions of the destination country. If you indicate you do not know the currency in which the beneficiary account is held, you can choose to send the transfer in U.S. dollars or in one of the foreign currency options provided by Citibank at the time of the transfer request. You understand that Citibank has the right to rely on your statement as to the currency of the beneficiary account and that it will not be responsible for any error in the information it provides you concerning the applicable exchange rate and the amount of funds to be received by the beneficiary should your statement be incorrect and a currency conversion occurs after Citibank sends your transfer. For transfers in foreign currency, Citibank will convert your U.S. dollar payment to the foreign currency selected by you at Citibank's exchange rate in effect at that time for similar transactions. The exchange rate includes a commission to Citibank for exchanging the currency. Information regarding the applicable exchange rate will be provided to you at the time you initiate the transfer request.

Delays or Non-Execution of Funds Transfer. While Citibank will handle your funds transfer request as expeditiously as possible, you agree that Citibank will not be liable for any delay or failure to execute your funds transfer request, or delay in making the funds available to the beneficiary due to circumstances beyond the control of Citibank or any intermediary or beneficiary bank handling the transfer, including, without limitation, any inaccuracy, interruption, delay in transmission, or failure in the means of transmission of your funds transfer request to the bank or execution of such request by the bank, whether caused by strikes, power failures, equipment malfunctions, or delays caused by one or more institution's fraud screening procedures or compliance procedures for anti-money laundering, economic sanctions or similar laws. You further agree that Citibank may refuse to process or delay processing any request if it would violate any guideline, rule, policy, or regulation of any government authority or funds transfer system.

TO THE EXTENT PERMITTED BY LAW, CITIBANK MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO ANY MATTER IN CONNECTION WITH YOUR FUNDS TRANSFER.

Indemnity. In consideration of the agreement by Citibank to act upon funds transfer requests in the manner provided in this section, you agree to the fullest extent permitted by applicable law to indemnify and hold Citibank harmless from and against any and all claims, suits, judgments, execution, liabilities, losses, damages, costs, and expenses, including reasonable attorney's fees-in connection with funds transfers made pursuant to this section. This indemnity will not be effective to relieve and indemnify Citibank against its gross negligence, bad faith, willful misconduct, or as otherwise provided by law.

Transfer to a Beneficiary Bank. When you request a funds transfer, you must select a financial institution ("beneficiary bank") to receive it. For funds transfers within the United States, the beneficiary (recipient) bank must be a member of the Federal Reserve System, a correspondent bank of such a member, or a Clearing House Interbank Payment System (CHIPS) member. You may request that the funds either be deposited into a particular account at the beneficiary bank or be held at the beneficiary bank for your beneficiary. The beneficiary bank is responsible for notifying the beneficiary that the funds are available. After the funds are transferred to the beneficiary bank, they become the property of the beneficiary bank. The beneficiary bank is responsible to locate, identify, and make payment to your beneficiary. If the beneficiary cannot be located, the funds may be returned. Except as may be prohibited by federal law, any losses resulting from an incorrect account number or other misidentification of your beneficiary provided by you are your responsibility and not Citibank's.

Incoming Funds Transfers. Notice of your incoming funds transfers will be deemed to have occurred when you receive your periodic bank statement, or another notice from us, containing a credit to your account for the funds received. Also, to determine if a funds transfer has been credited to your account, you can call CitiPhone Banking®, view your account information on Citibank® Online or Citi Mobile®, or request account updates via Citi® Text Banking.

Means of Transfer. To make external funds transfers, Citibank uses a variety of banking channels and facilities but will ordinarily use electronic means. You agree that Citibank may choose any conventional means that Citibank deems suitable to transfer your funds to the beneficiary. Because Citibank does not maintain banking relations with every bank, it may be necessary to use one or more intermediary banks before the funds are transferred to the beneficiary bank. After Citibank transmits the funds transfer to the intermediary bank, it will be that bank's responsibility to ensure that the funds transfer is completed. You understand that there may be fees imposed by these other banks for handling your funds transfer and that these fees may be deducted from the transfer amount before it is credited to the beneficiary. Effective September 28, 2013 for international funds transfers, you will be provided with more detailed information regarding applicable fees at the time of your funds transfer request.

CANCELLATIONS OR AMENDMENTS OF FUNDS TRANSFER REQUESTS

Applicable to Consumer International Citibank Global Transfers and International Wire Transfers. You have the right to cancel your funds transfer request for a full refund or to amend your funds transfer request provided you cancel or amend your request within thirty (30) minutes of your authorizing payment for that transfer. If you request a cancellation or amendment after this thirty (30) minute period, the provisions under the paragraph "Applicable to all other Funds Transfer Requests" will apply.

To cancel a Consumer Citibank® Global Transfer, please call 1-866-515-1725 (TTY: 1-800-788-6775), sign into Citibankonline.com, or visit a full-service proprietary Citibank ATM. At this time, Citi Mobile® may not be used to cancel a Consumer Citibank® Global Transfer for clients of Global Executive Banking. When canceling by phone, you will need to provide us

with information to help identify the funds transfer you wish to cancel, including the amount and location where the funds were to be sent. Any refund will be made no later than three business days of your request to cancel.

To cancel a Consumer International Wire Transfer, please call 1-888-606-9716 (TTY: 1-800-788-6775) and for Citibank® Online initiated wire transfers, you can cancel online. When canceling by phone, you will need to provide us with information to help identify the funds transfer you wish to cancel, including the amount and location where the funds were to be sent. Any refund will be made no later than three business days of your request to cancel.

Applicable to all other Funds Transfer Requests. You may cancel or amend a funds transfer request only if Citibank receives your request prior to having executed the transfer and at a time that provides Citibank with a reasonable opportunity to act upon that request. In general, after Citibank has sent the transfer, you understand and agree that you will not be able to cancel or amend it unless the beneficiary bank consents to such a request. Citibank will first have to check with the beneficiary bank to determine whether or not the beneficiary bank will return your funds. If the beneficiary bank confirms that the funds are returnable and the funds are returned to Citibank, Citibank will return the funds to you. The amount that is returned to you may be less than you originally transferred because of service charges of the beneficiary bank and/ or Citibank. Your returned funds will be in U.S. dollars. If your funds transfer was in a foreign currency, your returned funds will be in U.S. dollars at the exchange rate established by Citibank on the date of return. Citibank shall not be liable to you for any loss resulting from the failure of the beneficiary bank to agree to a recall or amendment of your funds transfer request.

Rejection of Funds Transfer Request. Citibank reserves the right to reject your funds transfer request. We may reject your request if you have insufficient available funds in your account for the amount of the transfer and any applicable transfer fees, if your instruction is received by Citibank by a communication means not authorized by the bank, if your instruction is incomplete or unclear, if Citibank is unable to confirm the identity or authority of the person requesting the transfer, or if we are unable to fulfill your request for any other reason. In the event we reject your request for a funds transfer, we will notify you at the time you request the transfer or as soon thereafter as we determine to reject the transfer request.

Claims

Please refer to the "Error Resolution and Notice Procedures for Claims or Questions concerning Consumer International Global Transfers and International Wire Transfers," paragraph under "Electronic Banking" in the Client Manual for a description of your rights.

If your transfer was delayed or erroneously executed as a result of Citibank's error, Citibank's sole obligation to you is to pay or refund such amounts as may be required under the Uniform Commercial Code Article 4A or by other applicable law. Any claim for interest payable by us shall be at our published savings account rate in effect within the state of the home financial center of the account from which the funds transfer was made.

In any event, an action or proceeding by you to enforce any obligation, duty or right under the terms of this section must be commenced within one (1) year from the date that such cause of action accrues.

IN NO EVENT SHALL CITIBANK BE RESPONSIBLE FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, OR PUNITIVE DAMAGES OR EXPENSES IN CONNECTION WITH YOUR FUNDS TRANSFER.

The terms of this section will be terminated upon account closure.

Severability. If any portion of the terms of this section is found to be unenforceable, its remaining portions shall remain in full force and effect.

Governing Law. In general, the terms of this section shall be governed by federal law and, where not in conflict with or preempted by federal law, the laws of the state in which your home branch is located. Funds transfers authorized under the terms of this section may involve one or more funds transfer systems, such as Fedwire or the Clearing House Interbank Payments Systems (CHIPS). In these cases, the rules of the appropriate funds transfer system(s) will apply along with applicable law.

Subpart B of Regulation J and Article 4A of the Uniform Commercial Code apply to funds transfers made through Fedwire. Funds transfers made through CHIPS are governed by and subject to CHIPS Rules and Administrative Procedures and the laws of the State of New York, including Article 4A of the Commercial Code.

You must act with all the care and diligence of a reasonably prudent person when maintaining an account with Citibank. You assume all risks associated with the use of the mailing address you designate and you agree that Citibank, N.A., Citigroup Inc., and their branches, affiliates, subsidiaries, officers, directors, employees or agents are not liable for, and will be held harmless by you from any claims, suits or damages resulting from our use of the mailing address you provide to us or from the mailing of our statements and notices to the mailing address indicated in your account records, including losses or damages resulting from your failure to receive such statements and notices. It is your responsibility to review your statement and notify us promptly after each mailing of any errors, omissions or improper payments or transfers. If you do not do so, various time limitations under applicable law may prevent you from asserting a claim.

We reserve the right to, at our discretion, mail certain correspondence, such as certifications, legal notices, account term amendments, certain confirmations, and other special documentation, to your domicile address of record in our files, directly, without sending it to your mailing address.

If we have reason to believe that the mailing address you provide or have provided to us has been compromised, we reserve the right, at our discretion, not to accept such mailing address. If this occurs, we will inform you of our decision and you will need to provide us with a mailing address that is acceptable to us. We reserve the right to close your account if a mailing address acceptable to us is not provided to us within thirty calendar days of the date of our notice to you.

Special Mailing Services

For your security, "Hold Mail" or other types of special mailing services whereby bank correspondence is maintained on bank premises and/or sent to you via a special mail method is not provided for Global Executive Banking accounts.

You agree to pay on demand all losses, costs and expenses (including, but not limited to, reasonable fees and expenses of counsel, whether incurred at trial, on appeal, as part of any other legal process, or in anticipation of litigation), if any, incurred by us in connection with any of your accounts. Your responsibility for losses, costs and expenses includes but is not limited to, losses, costs and expenses sustained as a result of (i) a default by you in the performance of your obligations as stated in the Account Disclosures and or (ii) any claim by a third party or other account owner, including but not limited to Estate Claims, whether legally enforceable or not, relating to any of your accounts. You specifically authorize us to charge all or part of any such costs, fees and expenses to your account and pay amounts as they become due.

You will be charged a fee for this service. Please refer to “Other Fees and Charges for All Accounts” in this Marketplace Addendum for applicable fees.

Checks That May Not Be Collectible

Occasionally, a check is given to Citibank that we decide not to accept for deposit or payment because we doubt the collectibility of the funds. When this happens, we will return the check to you or, if you request, send the check out for collection. On other occasions, we may learn that a check we accepted for deposit may not be honored. Should this happen, we will delay the availability of the deposit for a reasonable period of time until the check is either paid or returned. In all cases, we will notify you of the action we take.

Foreign Checks

Checks that are drawn on banks outside the United States are generally sent for collection. Your account will be credited for the US dollar equivalent of the check based upon a timetable which reflects when we would customarily receive payment from the bank on which the item is drawn.

Events Beyond Our Control

In the event that we are unable to conduct business due to an interruption of communication facilities, suspension of payments by another bank, war, other emergency conditions or other circumstances beyond our control, it may be necessary to increase some or all of the time periods specified in these availability schedules. If this happens, we will try to inform you if possible.

Redeposit of Check(s) Returned Unpaid

We reserve the right to extend the time within which these checks become available.

Overdrafts

We may delay the availability of the deposit if you have overdrawn your account or have had frequent returned deposits.

Double-Endorsed Checks

We reserve the right to refuse to accept for deposit a double-endorsed check. A double-endorsed check is a check that is made payable to someone other than yourself and then endorsed to you by that person. If such a check is mailed to the bank or sent to the bank through any remote means, we may elect to return

the check to you. If the bank accepts such a check for deposit, it may delay the availability of the deposit for a reasonable period of time until the check is either paid or returned. Should this occur, you will be notified of the delay.

Availability of Deposits Made By Mail

A deposit received by mail is considered made on the day we receive it for processing.

Holds on Other Funds

If we cash a check for you that is drawn on another bank, and the amount of the check you cash is not entitled to same day availability in accordance with our general policy, we will place a hold on funds already in your account for an amount equal to the amount of the check you have cashed. In this event you will receive a notice indicating when the funds will be available for withdrawal.

Bank’s Right to Chargeback

The Bank’s policy on availability of funds from checks that you deposit will not affect your obligation to repay the Bank for any check that you deposit that is not paid, nor will it affect the Bank’s right to charge back your account or to obtain reimbursement for any check that is not finally paid for any reason.

Changes to Our Policy

We will notify you of any change to these Funds Availability policies as required by applicable law.

Amendments to the Marketplace Addendum June 18, 2019 Edition

> EFFECTIVE DATE: FEBRUARY 24, 2020

AMENDMENT: CHANGE IN ADDRESS FOR THE NEW YORK BRANCH

Effective February 24, 2020, the "Branch Locations" section of the *Marketplace Addendum* has been updated with a new address for the New York branch:

Citibank, N.A.
Global Executive Banking
601 Lexington Avenue, 25th Floor
New York, New York 10022 U.S.A

> EFFECTIVE DATE: MARCH 10, 2020

AMENDMENT: CHANGES TO CERTIFICATE OF DEPOSIT PRODUCTS

Effective March 10, 2020, the "Certificates of Deposit" section on pages 16-19 of the *Marketplace Addendum* is replaced in its entirety with the following:

Account Features

Citibank offers Certificates of Deposit (CD) denominated in U.S. Dollars as described below:

- 3, 4, 5, 6, 7, 8, 9, 10, and 11-month CDs with monthly interest or interest at maturity
- 1-year CD with monthly interest or interest at maturity
- 13, 14, 15, 18, and 30-month CDs, and 2 year, 3 year, 4 year, and 5-year CDs with monthly interest
- Step Up CD – 30-month CD with monthly interest
- No Penalty CD – 12-month CD with monthly interest

All our certificates are time deposits. With a time deposit, you agree to leave your funds in the account for a specific period, called the term. The last day of the term is called the maturity date. The maturity date is the first day on which you may withdraw funds without paying an early withdrawal penalty, explained below.

To open any of our Certificates of Deposit, we require you to have or open a linked checking account, money market account or savings account in your account package. You may not open a Certificate of Deposit as a standalone account without linking it to your account package.

Minimum Opening Deposit

The minimum balance required to open a Certificate of Deposit account is \$500. No additional deposits are permitted during the term of the account. We reserve the right to close the account if the account balance falls below the minimum balance. Certificate of Deposit accounts that maintain a zero balance will automatically close after 20 days.

Step Up CD. A Step Up CD is only available for a 30-month term. Upon maturity, your CD will automatically renew for the same term but at the APY and interest rate currently being offered, unless you request a change during the seven (7) calendar day grace period or the CD rate or term is no longer offered. The seven (7) calendar day grace period starts the day after your maturity date during which you can make changes, deposits or withdrawals from your CD (the Grace Period). You cannot renew an existing Step Up CD to a new Step Up CD. If you make changes to the CD term, change the CD product type, make a deposit or make a withdrawal before the end of the Grace Period, the Grace Period will end on that day and a new Opening Date and Maturity Date will apply, after which any changes made before the new Maturity Date will incur a penalty. A 30-month CD will renew at the interest rate and APY in effect on the maturity date, except that your renewed CD will not be a Step Up CD and will not have the Step Up feature. If the term of your maturing CD is no longer offered, your CD may be renewed at the next greater term.

No Penalty CD. A No Penalty CD is only available for a 12-month term. With a No Penalty CD, you may withdraw your full balance and interest at any time without incurring any penalty fees after the first six (6) calendar days you make the minimum deposit into your new CD account and your Qualifying Deposit has been fully collected. Withdrawals made before the stated period will result in an early withdrawal penalty. Partial withdrawals are not permitted. Upon maturity, your CD will automatically renew for the same term but at the APY and interest rate currently being offered, unless you request a change during the seven (7) calendar day grace period, or the CD rate or term is no longer offered. The seven (7) calendar day grace period starts the day after your maturity date during which you can make changes, deposits or withdrawals from your CD (the Grace Period). You cannot renew an existing No Penalty CD to a new No Penalty CD. If you make changes to the CD term, change the CD product type, make a deposit or make a withdrawal before the end of the Grace Period, the Grace Period will end on that day and a new Opening Date and Maturity Date will apply, after which any changes made before the new Maturity Date will incur a penalty (except for a new No Penalty CD that allows full withdrawals six (6) calendar days after deposit). A 12-month CD will renew at the interest rate and APY in effect on the maturity date, except that your renewed CD will not have the No Penalty feature. If the term of your maturing CD is no longer offered, your CD may be renewed at the next greater term.

Rate Information

Except for Step Up CDs, the interest rate and Annual Percentage Yield (APY) for all new and renewing CDs are fixed for the term of the CD. During the term of a new Step Up CD, the Composite APY is based on a fixed initial interest rate for the first ten (10) month period and the increased interest rates for the second and third succeeding ten (10) month periods. For a new CD, the interest rate and APY are based on the balance you deposit into the CD as disclosed on the applicable rate sheet delivered when your CD is opened.

For a renewing CD, the interest rate and APY will be based on the rates in effect for the governing state of your CD, product type and account balance on the date your CD renews, except that a renewing Step Up CD and No Penalty CD will not renew with the Step Up feature or No Penalty feature, respectively. One rate may be assigned to a CD regardless of the balance in the CD. We may offer different rates for CDs depending upon which Citibank account package contains the CD. Please see the applicable rate sheet for details. The renewal term begins on the date of CD maturity. If you change the term of the CD during the grace period, the rate for the renewal term will be determined based on the rate sheet in effect on the date of CD renewal.

Interest Rate Determination

Citibank uses the daily balance method to calculate the interest on CDs. This method applies a daily periodic rate to the balance in the account each day. Interest is compounded daily starting on the business day when the account is opened, and is credited monthly (except on CDs with the interest at maturity feature, where interest is credited to the account on the maturity date). All CDs are offered with a monthly interest feature. CDs with terms between 3 months to 12 months are also available with an interest at maturity feature. Interest is computed on a 365-day year for the actual number of days your money is on deposit. Interest may be computed using a 366-day basis for leap years. Interest is credited to your account after the close of business on the last business day of the month for all CDs. Interest is paid up to but not including the maturity date. If you open your CD, or if your CD renews, during the last week of any month, interest from the date opened/renewed to the end of the month may be included in the interest payment for the first full month after the CD is opened or renewed.

When Interest Begins To Accrue

Interest begins to accrue on the business day you open your account or on the day your CD renews (Please see the *Client Manual – Consumer Accounts* for definition of “Business Day.”)

Early Withdrawal Penalties

Except for No Penalty CD, when you open a Certificate of Deposit, you agree to keep the principal on deposit with Citibank for the term you have selected. Citibank will impose a substantial penalty if you withdraw any principal before the maturity date. It may be necessary to deduct all or a portion of the penalty from the principal amount of the deposit. Except for a No Penalty CD, you may withdraw interest from your CD at any time during the term after it has been credited without an early withdrawal penalty.

The early withdrawal penalty based on the term of the CD will be assessed according to the chart below:

CD Term	Penalty
1 year or less:*	90 days of simple interest
More than 1 year:	180 days of simple interest

* For a No Penalty CD, you may withdraw your full balance and interest at any time without incurring any penalty fees after the first six (6) calendar days you make the minimum deposit into your new CD account and your Qualifying Deposit has been fully collected. Withdrawals made before the stated period will result in an early withdrawal penalty.

Early withdrawal penalties are calculated on the amount of the principal withdrawn. There is no early withdrawal penalty if the account owner dies or is declared legally incompetent.

Automatic Renewal and Grace Period

Unless we receive other instructions, all CDs will renew automatically at maturity for the same term. The renewal CD will be for the same term, but at the interest rate currently being offered. There is up to a seven (7) calendar day Grace Period after the Maturity Date. If the last day of the Grace Period is a non-business day (a weekend or bank holiday), then the Grace Period ends on the last business day before that non-business day. During the Grace Period, you can change your term, additional funds can be deposited and funds can be withdrawn without paying an early withdrawal penalty. However, if you change your term, make a deposit or withdrawal: (1) the Grace Period will end that day, your Opening Date will reset and a new Maturity Date will apply, after which you will no longer be able to make any changes until the next Maturity Date without incurring a penalty and (2) we will pay interest from the Maturity Date until the day before your new Opening Date (but not more than seven (7) calendar days) at the interest rate then in effect on the Maturity Date.

Interest Withdrawal

Except for a No Penalty CD, you may withdraw interest from your Certificate of Deposit at any time during the term after it has been credited without an early withdrawal penalty. You may request to have credited interest deposited to another account you have with us or sent to you in the form of a check. If your account renews automatically, after the grace period your interest will be added to your principal balance and will no longer be available for withdrawal without penalty.

The Annual Percentage Yield (APY) on your account assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.

Fees

There is no separate monthly service fee for a Certificate of Deposit.

Linking

The balances in other Citibank accounts that are linked to the account will not be included in the balance calculation for rate determination of your Certificate of Deposit account. The balances in your Certificate of Deposit account may contribute to the balances of eligible Citibank account packages for the purposes of package fee determination.
